THE TRUTH ABOUT SPORT
IS NEVER A KNOCK

GOLF MATCH AT HALEIWA NEXT SUNDAY

Hotel Management Announces
Tournament That Promises
To Draw All the Talent

Haleiwa is the magnet that will attract the golfers of the island next Sunday, the chances being that the other courses will be deserted by all who can make the trip to Waialua. A handicap bogey competition is on the cards, to be played over the sports course of the Haleiwa Hotel, and a general invitation has been extended to all local and visiting golfers to take part. Play will start at 1:30 p. m., and entries can be made at the hotel office up to within half an hour of the starting time, a nominal entrance fee of 50 cents being charged.

A first and a second prize for the best scores have been offered by the hotel management, which is also putting up a special prize for the best gross card against the colonel.

The Haleiwa course, always a favorite with Oahu golfers, has been recently improved by changing the location of some of the holes and the putting greens are now in splendid condition. Water was laid to every green some time ago, and they have been carefully rolled and regularly watered, so that they are much keener than formerly, and very true, allowing of fine putts for the back of the tin.

Golfers from the Oahu Country Club are making arrangements for the trip, and there is sure to be a good representation in the entry. Another crowd of keen golfers that can be counted on will come from Schofield Barracks Sunday morning. It is less than an hour's run by auto from Schofield to Haleiwa, and it is expected that about ten players will make the trip.

Altogether, the coming tournament promises to be of considerable importance as a sporting and social feature, and after several months of comparative inactivity, golfers will take advantage of the chance to get into the game again.

Bogey for the new Haleiwa course is 39, as follows: 4, 5, 4, 3, 5, 5, 3, 5—39.

BASEBALL PAU OVER ON KAUAI

The Kauai baseball season closed last Sunday, the second half of the league series being completed. McBryde finished at the top of the percentage table for the second half of the season, with the margin of a full game between the team and Makaweli, Lihue and Kilauea, in a triple tie for second honors.

The first series was won by Kilauea, and to decide the league championship the two winning teams will engage in a two-in-three series, which will probably be started a week from next Sunday.

The following was the standing of the Kauai League for the second series, just ended:

	P.	W.	L.	Pct.
McBryde	6	5	1	.833
Makaweli	6	4	2	.667
Lihue	6	4	2	.667
Kilauea	6	4	2	.667
K. A. C.	6	2	4	.333
Waimea	6	1	5	.167
Koloa	6	1	5	.167

LOCAL MARINES SHOOT ON COAST

Camp Very Will Send a Team
to Division Shoot at Bremerton Next Month

Camp Very is to send a rifle team to the Coast next month, to try for honors in the division competition of the Marine Corps, which will be shot at Bremerton navy yard, commencing September 20.

At present twenty men are contesting for the ten places on the team, and in a short time the Kakaako range, which is now being used by the engineers, will be open for regular practice by the marines. The team will be definitely picked and the men will leave for the Coast on the next transport.

Capt. Douglas C. McDougal, who has gained the highest honors for rifle shooting, and who is considered one of the greatest authorities on small arms firing in the United States service, has charge of the team, but whether he will make the trip himself depends on orders which are expected soon. Captain McDougal is rated as "distinguished marksman," an honor which can only be won by winning the gold medal for individual shooting for three years, or by being a member of a winning team in the national shoot for three years. As it happens, Captain McDougal qualified both ways, a most unusual performance.

The marine team from here will shoot against the Bremerton and Mare Island teams, the course being 200, 300 and 500 yards, slow fire, and 25 and 50 yards with a pistol.

The division competition for individuals consists of 200, 300, 500 and 600 yards slow fire; 200, 300 and 500 yards rapid fire, and one skirmish run. This course is shot over twice, making about 200 shots in all per man.

Sport JETSAM and FLOTSAM

Owing to the fact that the baseball races are not particularly close this summer, the Presidential campaign is attracting more attention than usual.

The Giants can encourage world peace by taking Wagner with them on their proposed grand tour this winter, for then we should have Huns across the sea.

Swimming records ought to be the most authentic of all, since the figures don't lie when they're in bathing suits.

Paragraph tells of a baseball magnate who entertained with a "swell lunch." Presumably one of the courses was dried apples and water.

Golfing paradox: He who is most likely to get a slice of honors is he who doesn't get a slice, and he who is below par playing above par.

Q. When is a Joy a Gloom?
A. When its first name is Barney and it gets conversational with the ump.

TWELVE TO GRADUATE FROM Y. M. C. A. SCHOOL

Twelve certificates of work completed in the educational department of the Y. M. C. A. will be awarded this week to pupils of the school who have accomplished satisfactory work during the term.

The certificates represent work done in all departments of the school and have been awarded to Ching Lin, James Reid, Henry Helbrun, Young See, Thomas Cockett, John W. Boggs, George K. Ewalik, Ambrose Gail, Heong Nap Tarn, Ah Chung, F. L. Turner, J. M. Ostergaard.

A course in penal studies was recently instituted by the University of Montpellier, France. Physicians, publicists, lawyers, police and court officials were among those who enrolled for the course. American educators hope that the interest in criminology will lead to something similar in this country.

"O 'T WAS NOT LIKE THIS IN THE OLDEN DAYS"

SPEEDY TENNIS FOR CLARK CUP

HILO, August 19.—At the end of a long day's hard and fast tennis, Dr. Fred Irwin of Olan and Hilo went down to T. O. Nielsen, of Alea, Oahu, who won the A. Stanley Clarke cup which was played for at the Olan courts.

Dr. Irwin was owing Nielsen fifteen, and despite the fact that he had been forced to play for two strenuous hours during the day, gave the Alea man a hard fight throughout. The last part of the game was played in the rain.

The first rounds of the tournament were played off on August 11 and only a few games were left to be settled yesterday.

Dr. Irwin defeated Bernard Vicens after a good exhibition, and then, just before the lunch hour arrived, fought a strenuous battle with Mrs. Patten. The doctor was owing Mrs. Patten thirty in each game but despite this he gradually won out game after game. The second set went to 8-6 in his favor.

Cup Fight On.
During the latter part of the afternoon he and Nielsen stepped out to do battle for the handsome silver cup presented by A. Stanley Clarke, the new captain of the club, who is also an enthusiastic player.

Irwin took the first two sets after some of the finest playing that has been witnessed on the island for a long time. Nielsen plays a good game and the two of them put up some great rallies.

In the third set Irwin was tiring and Nielsen piled up point after point. During the fourth set Irwin rested and the games went very easily to the man from Alea.

When the last set was called every one expected a great wind-up. The first two games were fine, every stroke being played out to a finish, but after that long distance began to tell on the local man and game after game was checked to the credit of the Alea player. The doctor tried to stem the rush, but could not do so.

The cup was presented to the victor by Mrs. Hollinger with a few well chosen words and the tournament was a thing of the past. During the day the ladies served luncheon and entertained the visitors in great style.

Dr. Clarke promises that this is only one of a series of entertainments that will be given by the Olan club from time to time and that from now on he is going to work his hardest to make it a live institution.

Another month and the grant of the pigskin will be heard on the gridiron.

CLUB VETERANS ARE WORKING HARD FOR GAME NEXT SATURDAY

Ah, youth must be served, my masters.
The world goes gayly on,
Clouds veil the star of fair renown
That once so brightly shone.
The puppets of the diamond show
Dance for a trifling space,
Grim Time dissolves the changing view
And others take their place.

Where are the curves of yester year? Where are the bustles of the spring of '91?
That's what the baseball comebacks of the University Club are asking each other, more in surprise than in anger, after two days of strenuous practice for the great game against the Schofield Barracks officers, which is scheduled for next Saturday.

For two days the dignified lawyers, doctors and merchant princes who will don ball suits to renew their youth, have been tossing the horsehide around Alexander Field, and as the result, not one of the "recruits" can crank his own automobile. Somehow, that right arm won't behave, and the bases seem a lot further apart than in those dear old college days.

But Captain A. L. Castle says that he has a promising bunch of colts, and that by Saturday they will have worked the soreness out of their salary wings and will be able to give a good account of themselves when they tackle the soldiers.

"Class counts in the long run," said Castle. "I have a team made up of players who, twenty or thirty years ago, could have been sold to any major league club in the country for an aggregate of nearly \$100,000. They are fighters, every one of them, and you can expect the veterans to spring some surprises. Of course, we have filled in with a few youngsters who are playing the game now, the ranks of the Old Guard having been thinned by the scythe of the Grim Reaper, so that it is no longer possible to get together an All-Graduate aggregation of college stars."

Out at Schofield, Col. McGunnegle and Maj. Smith are driving their team hard, and fireworks are assured for next Saturday.

BAND CONCERT.

The Hawaiian band will give a public moonlight concert this evening at Ala Park at 7:30 o'clock. The program:

March: Oh, You Beautiful Doll
Overture: Alhambra
Hawaiian Songs by the Band Quintet
Selection: Jerusalem
Selection: The Newly Weds
Waltz: The Beautiful Youth
Finale: Azzalea
The Star-Spangled Banner.

MEADOW BROOKS WIN POLO TITLE

NARRAGANSETT PIER, R. I.—For the Fourth Successive year the Meadow Brook Club won the senior polo championship of the United States at the Point Judith Club, August 2. The Bryn Mawr four were the victims. The day was further featured by the initial appearance of a Canadian team at an American championship tournament.

Brook's president, watched the team win the Astor gold cup that day.

It was a most interesting contest as a proof of the grim courage of Bryn Mawr, on which Alexander Brown reappeared as No. 1 with his head in bandages, and of the consummate team and individual work of Meadow Brook, for the interest as a contest was short, the victory being 15 to 3½. It is history that Meadow Brook never wins the first goal in a title event and the team lived up to the tradition. For a spell the score was even at 2, but after that a deluge swept the hopes of Bryn Mawr.

The Canadians appeared in one of three special six minute period games, and were opposed by the Wanderers, almost an English team, for they included C. Graddock, A. Balding and the ubiquitous manager of the games, F. A. Gill, with F. H. Price, Sr., of the Perroquets. The strongest of teams could not have made a better showing after only twelve hours' rest from the journey than the Canadians did. The club is at Cartierville, Quebec, and its makeup was A. H. Gault and H. D. MacDougall, both natives, Capt. W. Long of the Scotch Greys and an adept of the London grounds, in Canada on the staff of the Duke of Connaught, and Capt. Ross, retired, also of England. They had twenty ponies.

The lineup:
Meadow Brook—E. S. Reynal, No. 1; J. M. Waterbury, Jr., No. 2; Foxhall Keene, No. 3; W. Lawrence, back.

Bryn Mawr—Alexander Brown, No. 1; H. W. Harrison, No. 2; R. E. Strawbridge, No. 3; C. R. Snowden, back.

Meadow Brook—Earned, 15; Bryn Mawr—Earned 4; less penalties, ½; total, 3½. Individual goals—J. M. Waterbury, Jr., 6; W. Lawrence, 5; E. S. Reynal, 2; Foxhall Keene, 2; C. R. Snowden, 3; H. W. Harrison, 1. Penalties—Foul against Snowden; safety against Brown. Referee—R. Bullock.

CASTOR OIL NEEDED, TOO.
For summer diarrhoea in children always give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, and a speedy cure is certain. For sale by all dealers, Benson, Smith & Co., agent, for Hawaii.

HIGHBROW PUG WANTS TO BE SCHOOL TEACHER

CHICAGO, Ill.—Herman Henry, the lightweight pugilist, who also is known as "Prince" Henry, has made application to Mrs. Ella Flagg Young, superintendent of schools, for a position as teacher.

Henry is said to be the only boxer in the ring who holds a diploma above that of a high school. He is a graduate of the Allentown (Pa.) Institute. He is now training at Naperville, Ill., for his fight with Danny Goodman at Aurora, Ill., on August 8, and is said to have about him even a greater supply of books than he has of dumbbells and boxing gloves.

The pugilist says he is anxious to teach school and is especially desirous of obtaining a position in the Chicago schools.

CIVIL WAR OVER BALL GAME ON MAUI

Paia-Morning Star Contest on
Sunday Winds Up in a Row
and Protest Follows

A baseball war has been started on Maui, as the result of the scrappy game between the Palas and Morning Stars, played last Sunday. A close decision on bases, which meant the winning of the game for the Palas, was made by Umpire Billy Chillingworth, who, after a roar of protest from the opposition, and a near riot on the field, reversed his own ruling. The Palas have appealed to the league, their letter of protest being as follows:

Paia, Maui, Aug. 19, 1912.
The Maui Athletic Association, Walter C. Brown, President.

Gentlemen: We, the Palas baseball team, demand that the baseball game played Sunday, Aug. 18th, by the Palas and Morning Stars be awarded to the Palas on the following grounds:

Rule 62. Section 1. The Field Umpire shall take such positions on the playing field as in his judgment are best suited for the rendering of base decisions. He shall render all decisions at first base and second base, and all decisions at third base, except those to be made by the Umpire-in-chief in accordance with Sec. 3, Rule 61.

Rule 63. There shall be no appeal from any decision of either umpire on the ground that he was not correct in his conclusion as to whether a batted ball was fair or foul, a base runner safe or out, a pitched ball a strike or ball, or any other play involving accuracy of judgment, and no decision rendered by him shall be reversed, except that he be convinced that it is in violation of one of these rules. The captains alone have the right to protest against a decision and seek its reversal on a claim that it is in conflict with a section of these rules. In case the captain does seek a reversal of a decision based solely on a point of rules, the umpire making the decision shall, if he is in doubt, ask his associate for information before acting on the captain's appeal. Under no circumstances shall either umpire criticize or interfere with a decision unless asked to do so by his associate.

Questioned Ruling.
Rule 65. Under no circumstances shall a captain or player dispute the accuracy of the umpire's judgment and decision on a play.

As to Rule 62, Section 1, we call attention to the fact that Umpire Chillingworth was in the best possible position to see the play, being within twenty feet of the base, and with his view unobscured by the base runner; while the other umpire could not have been in a worse position to see it, as the runner was between him and the play.

As to Rule 63, the umpire based his decision absolutely on a matter of judgment, seeing the play plainly, called the man safe and there is no possibility of a reversal of that decision.

HILO BALL TEAM IS READY TO INVADE

Strong Aggregation of Players
From the Big Island Will Go
Against Oahu League Nines.
Easton Talks

(Special Star-Bulletin Correspondence)

HILO, August 19.—The Hilo baseball players are looking forward with interest to the games that are to be pulled off in Honolulu between the Oahu League and the nine that Jack Watson is taking across next week. At first it was thought that the games would not come off, but now, according to the announcement in the Star-Bulletin, everything has been arranged and the games will be placed on the schedule.

Speaking of the coming trip, Jack Easton said this morning: "I think the bunch that I have gotten together and will be taking over to Honolulu will be able to give a good account of itself and that we shall come home leading the Oahu govt. behind us in good style."

"Most of the team will be members of the National Guard, and they will, of course, go into camp with the rest of us boys. Some of the others will not be in camp, and will come across in time to play the games."

"We have a strong team and I think that there should be some mighty interesting baseball pulled off before we are through with the special series that has been planned. I am more than glad to see that the Oahu League has been able to arrange the schedule for us, as I would have been very disappointed if we could not have had the games after we have been looking forward so anxiously to crossing bats with the boys on the other island."

The team which the Hilo boys will run in the field will be as follows: Hila, c.; Ed. Desha, Kokes and Allick Desha, pitchers and third base; Watson, 2b.; Brickwood, ss.; George Desha, Jr., George Todd, et al., outfielders; Jack Easton, manager.

One expects it to be that such a decision was in plain violation of a baseball rule.

Abused Umpire.

As to Rule 65, we call attention to the fact that not only the captain, but the manager and practically all the players on the Morning Star team proceeded to abuse the umpire and to use language absolutely unbecoming to gentlemen anywhere. The fact that the field umpire reversed his decision lost the game to Paia without extra innings, as had he maintained his decision, the winning run of the game came home on that play.

The Palas baseball team makes this protest feeling that more than the issue of this game, and this series hinges upon your decision. The future of baseball on Maui depends upon it. Our feeling is, that should this be allowed to stand, there can be no hope for clean, respectable baseball on Maui in the future if an umpire such as Chillingworth, whose ability and honesty is absolutely unquestionable, should be permitted to be bulldozed into such a rank reversal of his best judgment.

ALVIN L. ROBINSON, Captain.

JOHN M. MEDEIROS, Manager.
